

Let them be little, let them run free,
Chasing dreams, just let them be
Let them play, let them explore,
Let them laugh, and ask for more.

Let them hug you tight with glee,
Let them kiss you, just let them be.
Their tiny hands, their curious eyes,
Amazed by each and every surprise.

Don't rush the moments, don't hurry by,
Let childhood's magic touch the sky.
Let them be little, let them grow,
In their own time, with love that glows.

Let them stumble, let them fall,
Let them learn, through it all.
Let them be little, with all their might,
Shining bright, in the morning light.

Let them be, let them be free,
Let them be little, wild and carefree.

Please note the following:

Laat hulle kinders wees...

Laat hulle hardloop, laat hulle lag,
met vuil voetjies in die gras elke dag.

Laat hulle droom met armpies wyd,
en bou paleise in die wolke se tyd.

Laat hul vrae vra, honderd 'n uur,
lag en gesels terwyl jy bestuur.

Moenie die wêreld se probleme te gou op hul laai —
leer hulle om eerder vrede en geluk te saai.

Vee hul trane af en soen hulle sag;
fluister "Ek's lief vir jou" menigmaal deur die dag!

Lees daardie storie, al is jy hoe moeg,
Verseker hulle, hulle is GENOEG!!!!

Laat hulle speel — in son en in reën,
Maak seker hulle weet hulle is nooit, ooit alleen.

Gee hulle ruimte om kind te kan bly,
voor grootword die drome begin verbyry.

Want kindwees is kort — 'n vonkel, 'n lig,
'n kosbare tyd in herinnering, met jou oë op God gerig!
Koester die lag, geselsies, die heeltyd besig bly...
want voor jy jou oë uitvee, is dit vir altyd verby...
