Re: Skoolbywoning

Geagte Ouers

Dit het onder die skool se aandag gekom dat sommige leerders na die toetsreeks verkies om by die huis te bly, aangesien die meeste van die werk vir die kwartaal afgehandel is. Neem asb. **baie duidelik kennis** dat daar met formele skoolwerk, tot en met Dinsdag 24 Maart voortgegaan sal word. U, kind gaan op waardevolle inligting uitmis, waar daar gefokus gaan word op foutidentifikasie, vaslegging van moeilike beginsels en reeds begin word met kwartaal twee se werk in sleutelvakke.

'n Leerder mag slegs afwesig wees, indien daar gereël is, sport en kultuuraangeleenthede, waar die leerder die skool gaan verteenwoordig en as die leerder siek is. Indien u kind weens siekete nie skool toe kan kom nie, is 'n doktersertifikaat wel verpligtend.

U samewerking in die verband sal hoog op prys gestel word.

Re: School Attendance

Dear Parents,

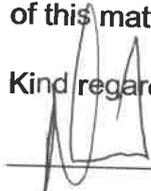

It has come to the school's attention that some learners choose to stay at home after the test series, as most of the work for the term has been completed. Please take careful note that formal schoolwork will continue up to and including **Tuesday, 24 March.**

Your child will miss out on valuable information, where the focus will be on error identification, reinforcement of challenging concepts, and the introduction of Term Two work in key subjects.

A learner may only be absent in cases where arrangements was made , scheduled sport and cultural activities, where the learner represents the school, or if the learner is ill. Should your child be unable to attend school due to illness, a doctor's certificate will be required.

Your cooperation in this regard will be highly appreciated and I hope the seriousness of this matter is attended to.

Kind regards

Principal
