- Qualified as a Professional Accountant (SA) registered with The South African Institute of Professional Accountants (2011) - *The SAIPA Professional Accountant in Practice qualification is registered at NQF level 8 on the National Qualifications Framework (NQF)*

Experience:

I've started my career in accounting in April 2004 as a Trainee Accountant. This has progressed over the years to Sub-accountant, Accountant, Audit Manager, Practice Manager to the point where I left the accounting and audit practice world and became a Financial Manager in a division of The First Rand Group.

Opportunity in the Vaal Triangle led to my current position of Financial Operations Director of a large steel service centre, where I've been for the last 7 years. During my career I've been exposed from the most basic accounting to advanced financial management of corporate entities.

Kwalifikasies:

- Baccalaureus in Handel graad in **Geoktrooieerde Rekenmeesterskap** (2006) - Voltooide SAIGR-artikels (2009)
- Gekwalifiseer as 'n Professionele Rekenmeester (SA) geregistreer by die Suid-Afrikaanse Instituut vir Professionele Rekenmeesters (2011) - Die SAIPA Professionele Rekenmeester in Praktijk-kwalifikasie is geregistreer op NKR-vlak 8 op die Nasionale Kwalifikasieraamwerk (NKR)

Ervaring:

Ek het my loopbaan in rekeningkunde in April 2004 as 'n leerlingrekenmeester begin. Dit het oor die jare gevorder tot Subrekenmeester, Rekenmeester, Ouditbestuurder, Praktijkbestuurder tot op die punt waar ek die rekeningkundige en ouditpraktykwêreld verlaat het en 'n Finansiële Bestuurder in 'n afdeling van Die Eerste Rand-groep geword het.

Geleentheid in die Vaaldriehoek het gelei tot my huidige pos as Finansiële Bedryfsdirekteur van 'n groot staaldienssentrum, waar ek die afgelope 7 jaar was. Gedurende my loopbaan is ek blootgestel van die mees basiese rekeningkunde tot gevorderde finansiële bestuur van korporatiewe entiteite.
