Dear Parents

Due to the scheduled water maintenance taking place from **30 May to 14 June 2025**, we would like to inform you of the following important arrangements, as instructed by the **Department of Education, on 29 May 2025**:

- From **2 June to 6 June**, school will start at **07:25** and end at **11:00**.
- From **9 June to 13 June**, school will start at **07:25** and end at **10:00**.
- **Learners MUST attend school daily**, as formal assessments and exam preparations will continue in all classes and periods.
- Learners may wear **civvies** (casual clothes), from **2 June to 13 June** to accommodate potential difficulties with laundry during the water interruption. If students can wear their school uniforms, they are encouraged to do so.
- Learners are kindly asked to **bring their own drinking water** to school during this period.
- Information regarding sports practices will be communicated by coaches via the relevant **team WhatsApp groups**.

These temporary changes are mandated by the **Department of Education**. We appreciate your understanding and co-operation as we work together to support our learners during this time.

Kind regards

JH Erasmus
