Senior Primêre Prysuitdeling – Dinsdag, 04 November 2025

Ek wil graag die volgende onder die ouers se aandag bring.
Daar is soms, veral by graad vier ouers, onsekerheid en verwarring omtrent die Senior Primêre Prysuitdeling.
Dit verskil radikaal van die Junior Primêre Prysuitdeling.

Let asb. op die volgende:

- Geen leerder/span kry erkenning vir slegs DEELNAME in 'n span nie.
  Die span MOES die liga gewen het.
- Vir Uitstaande Akademiese Prestasie-toekenning MOET die leerder vir kwartale een, twee en drie 'n gesamentlike groottotaal van 240 punte hê. Geen persentasie word benader nie, daarom word daar op die groottotaal gewerk. (Nie die benaderde punte op rapport nie, die rou punte voor dit afgerond is op die rapport)
- Die Top Tien-toekennings word bepaal oor al drie kwartale se gemiddeld.
  Indien u kind miskien vir een/twee kwartale wél in die Top tien was, is dit NIE 'n gegewe dat hy wél in die Top tien sal wees nie. Daar word streng volgens die gemiddeld van die drie kwartale gewerk.
- Vakpryse word in elke graad, per vak toegeken. Die leerder wie in al drie kwartale gesamentlik die hoogste gemiddeld het, ontvang die vakprys. Dit word in enkele gevalle gedeel, indien twee leerders se gemiddeld presies dieselfde is.
- Belangrik: Bv. By atletiek/landloop/redenaars ensv.: Kry 'n kind eers erkenning as hy bv. by atletiek by Vaalrivier deelgeneem het en dan deurgaan na Noord Vrystaat. **Indien hy by Vaalrivier "uitval" kry hy geen erkenning nie.** By redenaars moet hulle by die eerste uitdunrondte deurdring na die semi-finale rondte om erkenning vir redenaars te kry. Deelname alleen, sonder kwalifisering tel dus nie in die Senior Primêre afdeling nie.

Ek wil ASSEBLIEF die ouers vra om my te help met die volgende:
Ek gaan môre/Dinsdag na elke klas in die Senior Primêre afdeling om hul pryse te kontroleer. Dis altyd moontlik dat 'n onderwyser/afrigter 'n naam per ongeluk mis op 'n lys of bv. 'n Simbool vir kunswedstryd/ regte span verkeerdelik op lys aangedui is/of uitgelaat is. Ons werk met'n enorme getal leerders/lyste en dit menslik om iets/iemand te mis.

Ek wil ASB. nou 'n beroep op elke ouer doen, as u kind aan 'n sport-, kultuuraktiwiteit deelgeneem het om dit vir hom/haar neer te skryf- VERAL die kunswedstryduitslae. Die A++e kry erkenning, maar daar kan só maklik 'n A+ op lys staan of omgekeerd.
Skryf asb. hul presiese ligaspan/streekspan (A of B-span) ens. vir hulle in hul huiswerkboek. Veral die graad 4's en 5's. Hul kan dit dan onder my aandag bring, wanneer ek by hul klas kom wanneer lyste gekontroleer word.
Kinders vergeet soms sommige aktiwiteite is al maande gelede afgehandel.

Dit gaan my verskriklik baie help en ek sal weer, indien daar iets verskil, dit met afrigters OOK kontroleer en "dubble check".

Ek maak staat op u samewerking.

Vriendelike groete
Marie-Louise Hauptfleisch

Senior Prize Giving – Tuesday 4 November 2025

Kindly, I would like to bring the following under the attention of all parents.
Sometimes confusion arises among parents regarding the senior prize giving ceremony. It differs completely from the Junior prize giving ceremony.

Please take note of the following:

- No learner receives recognition for "PARTICIPATION" only. The team must have won the league they played in.
- For Outstanding Academic Achievement award: the learner must have obtained a total of 240 marks over the course of all 3 terms, all together. This is determined according to the grand total.
- The top 10 awards are determined over the course of all 3 terms. If a learner was part of the top 10 during 1 of the 3 terms, it is not a given that they will receive a top 10 award at the prize giving. It is strictly determined according to the average of the 3 terms. (Not the rounded-off mark, the raw mark is used, before it is rounded off)
- Subject prizes are awarded to each subject in each grade. The learner with the highest average of all 3 terms receives the subject prize. In rare occasions, 2 learners might share this prize, if the averages are exactly the same.
- E.g. Athletics / cross country / debate, etc.: The learner only receives recognition if he/she represented (e.g. Athletics) the Vaal River team at the Northers Free State meeting. **If he/she participated at the Vaal River meeting and ended his/her participation at the meeting, he/she does not get recognition for Vaal River.** With regards to Debate, the learner must have reached the semifinal round to obtain recognition. Participation only, without qualifying does not get recognized at the senior prize giving.

I ask that each parent please assist with the following:
Tomorrow/Tuesday, I will control and check, with each class personally, their prizes. This is to eliminate any mistakes that might have been made. Human errors occur and the possibility of an error occurring at the art festival/ correct teams, is possible.

I kindly request that each parent writes down each child's achievement regarding to sport and culture participation. All A++ achievements at the art festival, do get recognition. Write down their exact team / district or provincial names they participated in. As specially, the grade 4's and grade 5's.
They must bring this to my attention, when I come to their class, te check the lists with them.
Learners do forget throughout the year some activities as it has already passed a few months ago.

This will assist me a lot with verifying each prize winner's recognition and achievement. Although it is verified again and again with the coaches, etc.

Thank you for your cooperation and assistance in this regard.

Kind regards
Marie-Louise Hauptfleisch
